Scroll - Assignment and Commission - Requirements

CURRENT REIGN SCROLLS

Scribes assigned to create Current Reign Scroll must keep them secret unless instructed to do otherwise. Look for a Wrangler to assist you in creating the recipient's dream scroll.

NON-ARMIGEROUS

*Non-Armigerous Scrolls shall **NOT** include either the blazon or the emblazon of the recipient's device. However, elements of the device may be displayed in the overall scroll design*

DO NOT put anything on paper until you:

- ❖ Verify the recipient's name and use it correctly in the scroll text
- ❖ Obtain approval of the entire scroll text from Sable Sable (before sending to to Their Majesties for approval)
- ❖ Obtain approval of the scroll text from Their Royal Majesties or at Their Majesties' request, through Their Royal Scribe **NOTE:** *This may or may not include the planned date of the award*

HERALDIC ACHIEVEMENTS

*Heraldic Achievement Scrolls are created only for Awards, Grants and Patents of Arms. All Achievement Scrolls **MUST** have both the heraldic blazon and emblazon incorporated into the design*

DO NOT put anything on paper until you:

- ❖ Verify the recipient's exact name and registered blazon against the Society OandA and use it correctly in the scroll text (oanda.sca.org/)
- ❖ Verify the device emblazon against the AnTir Roll of Arms and use it in the scroll design (badger.cx/heraldry/roll/)
- ❖ Obtain approval of the entire scroll text from Sable Sable and Black Lion (before sending to to Their Majesties for approval)
- ❖ Obtain approval of the scroll text from Their Royal Majesties or at Their Majesties' request, through Their Royal Scribe **NOTE:** *This may or may not include the planned date of the award.*
- ❖ Verify eligible elements for the achievement per award rank against the AnTir Achievement Customs and use only what is allowable in the scroll design (www.antirheralds.org/display/ achievements/achievements.html)
- ❖ Verify recipient's preferences for achievement elements with the recipient's Wrangler and use them in the achievement design

NOTE: *Black Lion must sign and seal all Achievement Scrolls and cannot do so if mistakes are made with the name, blazon or other parts of the text or with the emblazon. Sending sketched plans and line images for review during your work on the scroll can help guarantee your work will be approved*

BACKLOG or COMMISSION SCROLLS

Scribes assigned to create Scrolls from the AnTir Backlog or who are commissioned by a recipient are to confer directly with the recipient in order to create the recipient's dream scroll.

NON-ARMIGEROUS

*Non-Armigerous Scrolls shall **NOT** include either the blazon or the emblazon of the recipient's device. However, elements of the device may be displayed in the overall scroll design*

DO NOT put anything on paper until you:

- ❖ Verify the recipient's name and use it correctly in the scroll text
- ❖ Verify the gifting Royalty, the date and all other particulars of the award and use it correctly in the scroll text (contact Dexter Gauntlet or check the AnTir Order or Precedence)
- ❖ Obtain approval of the entire scroll text from Sable Sable and the recipient

HERALDIC ACHIEVEMENTS

*Heraldic Achievement Scrolls are created only for Awards, Grants and Patents of Arms. All Achievement Scrolls **MUST** have both the heraldic blazon and emblazon incorporated into the design*

DO NOT put anything on paper until you:
- ❖ Verify the recipient's exact name and registered blazon against the Society OandA and use it correctly in the scroll text (oanda.sca.org/)
- ❖ Verify the device emblazon against the AnTir Roll of Arms and use it in the scroll design (badger.cx/heraldry/roll/)
